

CPE

Level 1 and 2 Title Tracking Sheet

Form is effective February 1, 2007 for Enthusiast and Specialist Individual Level Titles. Form is effective July 5, 2007 for Regular and Veterans Titles.

See the Titles sections in the Rulebook for more information.

Record the information below for each qualifying leg earned. Include the points for cumulative lifetime points. Each line below is a required leg for its respective class towards the level 3 category titles.

Use a separate sheet for each height category: Regular/Veterans, Enthusiast, Specialist.

Once the requirements for a respective class are completed in a level, a dog may move up to the next level in that class, however, he/she **MAY NOT** return to the previous level in that class if a Qualifying score has been earned. (See rulebook for missed leg exception)
